SIR,

I have the honour to forward herewith, a bill, in duplicate, for Rs.750/- received from the Honorary Secretary, Society for the Promotion of kindness to Animals, Mysore, received with his letter No. 154/2 dated the 20th March 1941. It represents the grant due to the Society for nine months during the current year from the 1st October 1940 to the end of June 1941, under Government Order No. P.1745-8/G.S. 12-40-4 dated the 24th September 1940.

Under the previous orders, the Society was entitled to receive half the fines collected in the Mysore City in cases under the Prevention of Cruelty to Animals Act, the Police Act, and the Rules made under the Public Conveyance Act. The Second City Magistrate, who tries offences under the said Acts would prepare at the end of every quarter, a statement of fines realised, and send it to the District Treasury for verification. He would then issue a cheque in favour of the Honorary Secretary of the Society for half the amount of fines collected and credited to the Treasury during that quarter. It is understood that the amounts due to the Society til the end of June 1940 have been thus paid and that the statement of fines realised during the quarter ending 30th September 1940 is under verification in the District Treasury. The new Government Order sanctioning a lump-sum grant of Rs.1,000/- per annum in lieu of half the fines collected comes into effect from the 1st October 1940. The Secretary has now claimed in advance the subvention due to it till the end of the current official year. The Government Order under reference is not clear whether the grant sanctioned is to be paid quarterly or half-yearly or once a year and whether the
